

## **YOU'RE INVITED!**

Bret Dixon Insurance would like to invite you to our upcoming BASSET Training event in your area. Our BASSET program is a state-certified liquor training class for sellers and servers of alcoholic beverages, regulated by the Illinois Liquor Control Commission. It is designed to encourage sellers and servers of alcoholic beverages to serve responsibly and stay within the law.

The deadline for Calhoun, Greene, and Jersey County businesses to have sellers and servers trained is July 1<sup>st</sup>. If you are a server who has never pursued BASSET training, this course is for you. If you are currently BASSET trained and your certification has expired, or soon will, this course is *also* for you.

### **When**

**Tuesday, June 19th  
2pm to 5pm**

### **Where**

**Aerie's Terrace  
14 W. Main St.  
Grafton, IL 62037  
*(terrace is up on the bluff)***

**FREE to employees of *Illinois Licensed Beverage Association*  
(ILBA) member businesses**

\$25 per attendee from non-member businesses

You only need attend one class to satisfy the state's BASSET requirements. Certification is good for 3 years. RSVP and bring a pencil or pen. Courses are approximately 3 hours in duration and there's a test at the end. Pay via check or cash at the door.

There are numerous benefits of liquor training. Aside from being required by law, your front-line servers will come away better educated on their responsibilities and duties working with liquor. This will make them more valuable to your business, as they will have the knowledge to prevent your business from assuming more liability.

**RSVP today, class space is limited!**
