

Madison County Licensed Beverage Association

Dear Friends,

The annual *Madison County Licensed Beverage Association Spring Classic* golf tournament is upon us again. For many years now, supporters like you have helped make our annual golf outing a great success. This year, the event is scheduled for Monday, May 20th, at Rolling Hills Golf Course in Godfrey.

This tournament is to benefit our association, our member establishments, and, as we have the past six years, the Shriner's Childrens Hospital in St. Louis, whom we have selected to donate a generous portion of our tournament proceeds to. This tournament has been a tremendous boost for us through the years and this year we expect more of the same. It should be good times, good weather and all for a good cause.

We hope you're able to participate, be it as players, sponsors or both. Once again, we ask for your help in soliciting for hole sponsorships. If you have never taken part in our tournament, sponsoring a hole is a great way to get your business' name and information in front of a large collection of the area's restaurant and bar owners. Putting a team together will give you the opportunity to meet many of these individuals throughout the course of the day.

Together we can accomplish some wonderful things. I appreciate your help and support and look forward to seeing you on May 20th.

Thank you,

Bret Dixon

Madison County Licensed Beverage Association

Dear Friends,

The Madison County Licensed Beverage Association is proud to announce their annual golf scramble to be held Monday, May 20th at Rolling Hills Golf Course in Godfrey, Illinois. The tournament will feature upwards of 150 golfers plus friends, sponsors, and spouses of the association in a daylong event that will end with a dinner and awards banquet. We are currently looking for hole sponsors to further help our organization continue to make the public and politicians aware that we are a dedicated and organized group of responsible retailers. But we need your help!!

Once again, we will be donating a large portion of the proceeds of our tournament to charity. We have again chosen the **St. Louis Shriner's Childrens Hospital** as the benefactor. Please take time to consider sponsoring a hole!
